FINDING FULL-TEXT

http://matas.tulane.edu
Welcome

This handout gives step-by-step directions for locating full text journals in 2 library resources: eJournals and Books & More (Classic catalog search).

http://matas.tulane.edu
eJOURNALS
Searching for eJournals

• The vast majority of current journals are available online
• eJournals allow you to search:
  – KEYWORDS in the journal title
• eJournals DOES NOT include print journals

http://matas.tulane.edu
Step 1: Select eJournals
Step 2: enter keywords

Search for a title which contains: Epidemiology Infection

http://matas.tulane.edu
Step 3: Review results

- The search for the keywords Epidemiology Infection yields several e-journals

http://matas.tulane.edu
Step 4: Full text options

- Click on the journal name to see full-text options
- Full text may be available from multiple vendors
- Dates vary by vendor

http://matas.tulane.edu
No online access

Journal issues prior to 2005 may be in the print collection.

Click “Search the Library Catalog” to automatically check print availability.

http://matas.tulane.edu
Interlibrary loan

Order materials via Interlibrary Loan when journal is unavailable.

Loan form will automatically populate (login required).
