HINARI Training: Access to Global Health Resources

As a leader in Global Health, the Tulane School of Public Health and Tropical Medicine, the Rudolph Matas Library of the Health Sciences, together with the National Library of Medicine, supports HINARI education and welcomes you to New Orleans during the 2015 Mardi Gras season.

Pierre Buekens, MD, W.H. Watkins Professor and Dean
Tulane University School of Public Health and Tropical Medicine

Neville Prendergast, Director
Tulane University Rudolph Matas Library of the Health Sciences

Thursday, February 5, 2015
7:00 PM – 9:00 PM
Interdisciplinary Innovative Programs Hub (i2PH)-sponsored panel discussion:
Tulane University global public health scholarship
Join Tulane researchers to learn about our work in the developing world
This evening event is not certified for AMA PRA Category 1 Credit™ or CHES Credits

Meeting Location will be at the Tulane University School of Public Health and Tropical Medicine at 1440 Canal Street, New Orleans, LA 70112.

NOTE: Participants should have basic search skills and knowledge of PubMed. It is important for participants to bring a laptop or other electronic devise to access the Internet during workshop exercises.

Every effort has been made to present the program schedule as accurately as possible from information available at brochure printing time. We reserve the right to make changes to the program; notice of changes will be announced at the meeting.

This project has been funded in part with Federal funds from the National Library of Medicine, National Institutes of Health, under Contract No. HHSN-276-2011-00007-C with the Houston Academy of Medicine-Texas Medical Center Library and the Elsevier Foundation.
General Program Overview
Imagine being able to use resources in a typical American health science library while in low or middle-income countries (LMIC). That is the power of HINARI, the Access to Research in Health Programme, a collaboration between the World Health Organization and major publishers, which enables access to one of the world's largest collections of biomedical and health literature.

Statement of Need
While most institutions in Low and/or Middle Income Countries (LMIC) are HINARI-registered, administrators and users can either be unaware of it or do not have the user name and passwords to access it. This training creates program awareness and skills prior to departure for an in-country experience.

Goal
To develop an army of HINARI users with 21st century information skills who will have a positive impact on evidence-based public health research, policy and clinical decision making by enabling participants to develop and practice skills to find, access, organize and use scholarly communication.

Target Audience
The target audience is individuals from HINARI-eligible countries currently in the U.S. who will be returning to their respective institutions and individuals who have contact with those from eligible countries – either as students or visitors to their U.S.-based institutions or during visits to organizations in eligible countries.

Learner Objectives
At the conclusion of this activity, participants should be better able to:

CME Accreditation
Tulane University Health Sciences Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME Designation
Tulane University Health Sciences Center designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU Credits
Tulane University Center for Continuing Education has been accredited as an Authorized Provider by the International Association for Continuing Education and Training (IACET). Tulane University Center for Continuing Education is authorized by IACET to offer .6 CEUs for this program.

Social Work Credit
This program has been approved by the Louisiana State Board of Social Work Examiners for 7.5 hours of continuing education credit for social workers through the Tulane School of Social Work.

Librarian CE Credit
Librarians are eligible to receive 8 hours of Medical Library Association CE contact hours.

Health Education CHES Credit
An application for 5 hours CHES (entry-level) / 1 hour MCHES (advanced-level) Category 1 continuing education contact hours (CECH) has been made to the National Commission for Health Education Credentialing, Inc. (NCHEC).

Predicted Outcomes
Predicted change in practice as a result of participating in this activity includes:
- Heightened program awareness and skills prior to departure for an effective in-country experience and use of relevant literature.

Competencies
Public Health Professionals
Tier 1 and Tier 2-level Core Competencies for Public Health Professionals:
- Analytical/Assessment
- Policy Development/Program Planning

Health Science Librarians
Professional Competencies for Health Science Librarians:
• Understand and use technology and systems to manage all forms of information
• Understand scientific research methods and have the ability to critically examine and filter research literature from many related disciplines

Health Education Specialists
Areas of Responsibilities and Competencies for Health Education Specialists:
• Assess needs, assets, and capacity for health education
• Plan health education
• Implement health education
• Serve as a health education resource person
• Communicate and advocate for health and health education

Physicians
This activity addresses components of the competencies identified by the American Board of Medical Specialties: Patient Care and Procedural Skills, Medical Knowledge, Practice Based Learning Improvement, Interpersonal and Communication Skills, Professionalism and Systems-based Practice; by the Institute of Medicine: Provide Patient centered Care, Work in Interdisciplinary Teams and Employ Evidence-based Practice; and by the Interprofessional Education Collaborative: Roles/Responsibilities, Interprofessional Communication and Teams and Teamwork.

Disclosure Policy
This activity has been planned and implemented in accordance with the ACCME’s Essential Areas and Policies to ensure balance, independence, objectivity, and scientific rigor. All individuals responsible for content, regardless of role(s), are required to document financial relationships or the absence of relationships with commercial interests, and all potential conflicts of interest must be resolved prior to the activity. Disclosure of off-label, experimental or investigational use of drugs or devices must also be made known to the audience.

Tulane University Health Sciences Center presents this activity for educational purposes only and does not endorse any product, content of presentation or exhibit. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentation is provided solely by the presenters who have been selected because of their recognized expertise

Disclaimer
Tulane University Health Sciences Center reserves the right to cancel this activity if there are insufficient registrants. Full refunds would be made in that event. However, Tulane University Health Sciences Center is not responsible for any related costs or expenses including cancellation/change charges assessed by airlines.

Confirmation will be sent by email from cme@tulane.edu. If no email is available, please include your FAX number. If you have not received your confirmation by February 3, 2015 please call (504) 988-3466 to confirm your registration.

Refund Policy
Written notification of cancellation must be postmarked by Tuesday, January 20, 2015 to obtain a refund of the registration fee minus $10 as the cancellation fee. After that time, no refunds will be issued.

Lodging: Homewood Suites by Hilton New Orleans
901 Poydras St. | New Orleans, LA 70112
(504) 581-5599
Hotel rooms have been reserved for February 5-8, 2015 for a very reasonable price of $149 per night available. The room block is available until January 16, 2015.

Stay for Mardi Gras parades Friday night!
Both the meeting location and the hotel are near the parade route. Information about Mardi Gras is available at http://www.mardigrasneworleans.com/.
